Year 11, 12 & 13

Project Title: _____

Project Category: *(Circle the appropriate category)*

Living World

Physical World

Material World

Planet Earth and Beyond

Technology

(If Y7 & 8 Living World - is your project about Plants or Animals or Human Behaviour)

Project Safety

I have checked the Student's Page on safety on the website www.scifair.org.nz and can confirm my project is safe:

- It has no Electromagnetic emissions
- Any mains electrical supply has a safety certificate from a registered electrician
- It has no growing micro-organisms on display
- It does not display any chemicals, fluids or radioactive substances
- It has been checked for needing ethics approval and if it does require this the approval form will be found in my log book

Certification by Students

- I/we agree to abide by the rules of the Fair and to accept the decision of the Judges.
- I/we verify that all the work in this investigation/project is my/our own and that I/we have not received any substantial assistance from any teacher, parent, guardian or other person.

Student's Signature

Student 1: _____

Student 2: _____

Certification by Teacher:

I verify that all the work in this investigation/project is the student's/students' own and that the entry complies with all requirements for entry into this Fair.

Teacher's Signature: _____ **Date:** _____
